Dearest Daddy,

I received a letter from Mother this morning telling me you got the job. I'm surely glad. I can just imagine about how you looked rushing around to get ready to work.

Is Mr. Hufford your boss? How do you like the work?

Our Chemistry teacher is sick, and so we aren't having Chemistry class to-day. But we have to work 5 hours instead. This morning I worked from 7 until 10, and this evening I have to be back on duty at 4:30, and stay until 7. I am still working in the "Practical's" place.

I was so surprised to-day. I got such a nice letter from Naomi Davidson. She is going to Wilmington College. She said Edna Walker gave her my address. You see Edna is going

there too. I wrote to her a few days ago, and so I guess she gave Naomi my address.

Mother said that you have some things for me. When are you coming down? If you come on Sat., will it be Sat. P. M., or A. M.? I will be on duty until 12 (noon) I expect that more than likely I will have to go down town sometime Sat.

P. M. Could you drop me a line and let me know when you think you will be here, so that I can try and arrange not to miss you? You can take the Xmas things home with you then.

I'm rather blue because Mother can't come, but suppose I'll get over it. It is real cold here to-day.

I must close and get busy, as the time will soon sail around for me to go to work.

Lovingly your daughter
Murelle.
